

## Cosmetic Procedures Overview

**Platelet Rich Plasma**- harnessing the restorative power of your blood's plasma, rich in growth factors which are restorative for our cells. Breakthroughs have been shown in the results of hair re-growth and skin rejuvenation. We are thrilled to offer PRP and all its amazing benefits, found right inside of you!

**PRP Hair Restoration:** \$2100 This includes 3 sessions of PRP injections 1 mo apart, topical medication (normally \$50 per month) and oral supportive supplements (normally \$88 per month) *\*must have consult with Dr. Gant to ensure you are a good candidate for this procedure.*

Maintenance PRP injection scalp post-package \$500 each

**Microneedling with Collagen PIN** - Medical grade Microneedling creates micro-injuries to the skin which stimulates the formation of new collagen. This induces repair, resurfacing and smoothing. We love this procedure for skin texture/pigment concerns, acne scars and overall maintenance of glowing skin.

Microneedling Face \$350

Microneedling Face & Neck or Chest \$450

Microneedling Face Package 4 \$1200

Microneedling Face Package 6 \$1800

Microneedling Face and Neck or Chest Package 4

\$1440

Microneedling Spot/Small Scar \$200

*\*Add Neck **and** Chest to single treatment for \$100 or to any package for \$200*

Adding **PRP** (platelet rich plasma) allows additional powerful rejuvenation on the cellular level, as well as speeding up your healing time. PRP is infused during the microneedling procedure, followed by injections of PRP into specific areas of concern (deep lines, volume loss).
